

REMARKS

Claims 1-19 are pending. In the Office Action mailed May 20, 2004, the Examiner rejected claims 1-11, 14-16 and 18 under 102(e) as being anticipated by U.S. Patent No. 6,577,622 ("Schuster"). The Examiner objected to claims 12, 13, 17 and 19 as being allowable but dependent upon a rejected base claim.

Claim 9 has been amended to include the elements of dependent claim 12 as well as the elements of intervening claims 10-11. Claim 16 has been amended to include the elements of dependent claim 17, and Claim 18 has been amended to include the elements of dependent claim 19. Claim 1 has been amended to include the elements of a contact list, a contacts detector and a contacts reporter. Claims 5, 10-12, 17 and 19 have been canceled, and claims 6, 13 and 14 have been amended to change their dependencies.

Applicants respectfully submit that all claims 1-4, 6-9, 13-16 and 18 are all in condition for allowance, and request that the Examiner issue a Notice of Allowability. Should the Examiner have any questions, the Examiner is encouraged to contact Applicants' attorney, Brian Harris, at his direct dial number (312-913-3303).

Date: 7/26/04

Respectfully submitted,

Brian R. Harris
